than one-sixth (1/6) of the annual Base Contributions on all Units, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

Section 2. Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Unit(s) and structures constructed thereon meeting the same requirements as set forth in Section 1 of this Article V for insurance on the Common Area, unless either the Neighborhood in which the Unit is located or the Association carries such insurance (which they are not obligated to do hereunder). Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article XI of this Declaration. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Unit in a neat and attractive condition consistent with the Community-Wide Standard.

A Neighborhood may have more stringent requirements regarding the standards for rebuilding or reconstructing structures on the Units within the Neighborhood and the standard for returning the Units to their natural state in the event the structures are not rebuilt or reconstructed.

Section 3. Damage and Destruction.

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.
