

Paying Assessments with Credit Card or E-Check Option

When customers want to pay using their credit card or e-check option, they need to go to the below website. This should be in place somewhere on your website for the homeowner's to access.

https://www.communitypluspayments.com/pay_assessments.asp?a=cas

The homeowner will then be prompted to choose which payment they wish to make (credit card or e-check)

Whichever option they choose, they must enter in their association information based off their coupon they received from CAS. If they do not have a coupon, the homeowner may have to call CAS to obtain the information.

CREDIT CARD OPTION #1

Homeowner enters in their billing information and property address:

Homeowner must then enter in their coupon information in order to pay their assessments. A sample coupon is provided to the homeowner in order to help them input the data correctly.

ECHECK OPTION #2

Homeowner enters in their account information and property address.

The screenshot shows a Windows Internet Explorer browser window displaying a web page from <https://www.communitypluspayments.com/echeck.asp>. The page title is "CINC Systems :: Management and Accounting Software for Homeowner Associations". The browser's address bar shows the URL, and the menu bar includes File, Edit, View, Favorites, Tools, and Help. The page content includes a navigation bar with links like Web Search, Bookmarks, Settings, Mail, My Yahoo!, Answers, Games, Anti-Spy, and News. The main content area features a heading "Pay Assessments via Electronic Check" and a sub-heading "You can use your checking or savings account. These options utilize the latest security measures for your online safety." Below this is a form titled "Account Information (all items required)" with fields for First Name, Last Name, Address, City, State (dropdown), Zip Code, Phone#, and E-Mail. A second section titled "Property Address" has a checkbox "Same as Address Above" and fields for Address, City, State (dropdown), and Zip Code. The Windows taskbar at the bottom shows the Start button, several open applications (including Microsoft Office and CINC Systems), and the system tray with the time 8:16 AM.
