

HEDINGHAM COMMUNITY ASSOCIATION

SATELLITE DISH GUIDELINES

In order to preserve and protect the desirability and attractiveness of Hedingham Community Association and to preserve the harmony of external design within Hedingham Community Association, the following regulations as submitted by the Hedingham Modification Committee, concerning the installation of satellite dishes within Hedingham Community Association have been approved by the Hedingham Board of Directors.

1. All requests for the installation of Satellite Dishes will be submitted in writing to the Hedingham Modification Committee (forms may be obtained from the Management Company, Internet or the Community Book.)
2. Satellite dishes shall not exceed 36 inches.
3. Satellite Dishes shall be located in the rear on the roof.
4. Resident must present a sketch to indicate where the dish is to be located.
5. INSTALLATION MAY NOT OCCUR until applicant has received written approval.
