A.L.E.R.T.

ALERT – I know who my neighbors and who their kids are. I know what cars belong on my street.

LIGHTS – My house is well lit at night. I have installed motion detectors or dusk to dawn lights in areas where people may walk.

EMERGENCY – I am ready for a crisis and keep neighbors phone numbers handy, just in case. My neighbors' kids know they can come to my house for help. I could tell the firefighters how many pets and kids to save if there was a fire on my street.

RESPONSIBLE - I call **911** when I see a potential issue. I ask for an incident number and report it to the Neighborhood Watch District Captain so it can be recorded. I bring bigger issues to my Neighborhood Watch Committee so the community is aware of what is happening.

TIDY - I keep my street and my home neat. I trim my bushes and trees so windows and doors can be seen. I keep my drive and porch free of clutter. I pick up trash on my street, handle graffiti, and pitch in to help other neighbors who need a hand. **I want criminals to see that my street is loved and their activities will not be tolerated!**
