KEY FOB FAQ

1. I just moved into the community, how do I get a key fob to use the recreational facilities?

Answer: Come to the Hedingham Athletic Club and request a fob at the front desk. Children under age 12 cannot receive cards because they are not old enough to be at the facilities by themselves and must be accompanied by an adult. Any resident requesting a fob needs to bring along proof of residence:

If you are a renter, bring a copy (we can make a copy for you at the athletic club if you need) of your lease agreement. Adults and children over 12 years of age who would like a card must be listed on the lease.

If you are a resident and an adult or child over 12, choose from one of the following options to provide proof of residency:

1. A copy of your driver's license (must have Hedingham address on it)
2. A copy of the deed showing your name on it and the Hedingham address
3. A current piece of mail with your name and Hedingham address on it
4. A copy of your most recent report card showing your name and Hedingham address
5. A signed document from the owner (including a copy of their driver's license) confirming your residency

If you have any questions on what you can use, please ask a staff member.

2. How many people can be listed on the account?

Answer:
